## DETAILED ACTION

1. In response to the Amendment dated September 16, 2003, claims 1-57 are active in this application.

### ***Information Disclosure Statement***

2. The information disclosure statement filed September 16, 2003 has been considered.

### ***Allowable Subject Matter***

3. Claims 1-57 are allowable over the prior art of record.
4. The following is an Examiner's statement of reasons for the indication of allowable subject matter: the prior art of records does not show (in addition to other elements in the claim) a method of sensing a stored value of a programmable conductor random access memory element, the method comprising: activating an access transistor coupled between said element and a digit complement line to apply a read voltage to said element; and comparing the voltage on said digit line with a voltage on said digit complement line to determine a resistance level, and thereby, a logical state of said element.
5. Any comments considered necessary by applicant must be submitted no later than

the payment of the Issue Fee and, to avoid processing delays, should preferably accompany the Issue Fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

***Conclusion***

6. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Michael T. Tran whose telephone number is (703) 308-4838.

7. Any inquiry of a general nature or relating to the status of this application should be directed to Group receptionist whose telephone number is (703) 308-0956.
